

Taking Flight Scholarship

LAUNCHING CAREERS TO NEW HEIGHTS

With the support of the COSMO Mining Industry Consortium and McGill University Laboratory (<http://cosmo.mcgill.ca>)

The CIM Foundation's Taking Flight Scholarship was established to encourage Indigenous high school and post-secondary students wishing to pursue a career in mining.

Three \$2,000 scholarships will be awarded annually to qualifying students across Canada.

ELIGIBILITY

Indigenous Peoples including First Nations, Metis and Inuit who are permanent residents in Canada. Priority will be given to:

- High school students
- Community college students
- Trade school students

Consideration will be given to students who are pursuing or wish to pursue studies in preparation for a trade or profession related to the mining industry (e.g. heavy-duty equipment mechanic, millwright, electrician, process systems and control, instrumentation, carpenter, welder, surveyor, geologist, mine engineer/technologist).

APPLICATION PROCEDURES

A complete application package must be submitted by October 15, including:

- Application form
- An official, sealed copy of applicant's most recent academic transcript
- Two recommendations and/or reference letters (from teachers, elders or community leaders)
- A 400-word letter in English, or if the student prefers, in his/her native language. The letter should describe what working in the mining industry means to the applicant, and include significant accomplishments of which they are the most proud.

DISTRIBUTION

Three prizes of \$2,000 each will be awarded annually to qualifying applicants. Recipients will be announced and scholarships awarded in November.

These scholarships are also offered with the support of the Wyslouzil Family Fund and an anonymous donor.
